

Record of Resolution

Resolution No.: 2014- 22

Passed: October 13, 2014

**A RESOLUTION APPROVING THE UPDATE OF THE MANGEMENT PLAN FOR THE
COSHOCTON-FAIRFIELD-LICKING-PERRY SOLID WASTE DISTRICT**

Whereas, the Policy Committee resolved to approve the updated solid waste management plan on September 26, 2014, and,

Whereas, it is our best judgment that the update will benefit the solid waste district by implementing additional waste reduction programs, and,

Whereas, public hearings were held in all four counties of the district to provide public input to this update and the Policy Committee has considered this input,

NOW THEREFORE BE IT RESOLVED BY the Council of the Village of West Lafayette, County of Coshocton, State of Ohio:

Section 1: The updated solid waste management plan as present to this council shall be ratified for submittal to the Ohio EPA for their approval.

Section 2: The Fiscal Officer for the Village of West Lafayette is hereby authorized and directed to mail or otherwise deliver promptly a certified copy of this resolution to the Policy Committee.

Section 3: That this resolution shall be and is hereby declared to be an emergency measure for reason that the Village needs to be returned promptly to the Policy Committee, and for reason thereof this resolution shall be effective immediately upon passage, signing by the Mayor, and posting.

PASSED IN COUNCIL THIS 13 day of October 2014

Jack L. Patterson, Mayor

ATTEST:

Roberta Moore, Fiscal Officer

**SOLID WASTE MANAGEMENT PLAN UPDATE
SUMMARY
2014**

Solid Waste Districts are required by law to:

- **Update their management plans every five years,**
- **Reduce solid waste they send to landfills,**
- **Increase recycling.**

Our updated management plan includes:

- **Identification of disposal facilities rather than designation of where our solid waste goes (retains authority to designate disposal facilities in the future)**
- **Assurance that at least 90% of residents have access to recycling opportunities for five common materials and that there is at least one recycling opportunity in each county for commercial entities. We will continue to fund drop-off locations in all four counties.**
- **Education and technical assistance on waste reduction, recycling, and yard waste composting focused on increasing recycling. We will continue to have local education offices in all four counties.**
- **Industrial waste reduction technical assistance and educational opportunities.**
- **Continuation of optional programs including health department and sheriff office enforcement of solid waste laws and regulations, and litter collection. Counties will choose which programs are funded annually.**
- **Annual funding for county assistance to defray added costs of maintaining roads and providing emergency and other public services resulting from the location of a solid waste facility within the county.**

These programs are funded using disposal fees which are collected at municipal solid waste landfills on every ton of solid waste they receive. Disposal fees will be \$2.00 per ton for waste generated within the solid waste district, \$4.00 per ton for waste generated outside the solid waste district but within Ohio, and \$2.00 per ton for waste generated outside Ohio, beginning January 1, 2016. The generation fee will decrease from \$2.00 per ton to \$1.25 per ton beginning January 1, 2016.

Residents and businesses within the District will not see an increase in solid waste district fees due to this update.

Solid Waste District

September 29, 2014

Dear Municipal Official,

On September 26, 2014, the Policy Committee voted to approve the Solid Waste District's updated solid waste management plan based on their extensive review of the existing plan and comments received at public hearings. A summary of the updated plan is attached to this letter.

In order to make these changes to our solid waste management plan, they must be ratified by townships and municipalities representing 60% of the District's population, including at least three of the four largest municipalities in each county, and three of the four boards of county commissioners. Once ratified locally, it will be sent to the Ohio EPA for their review and approval.

This package contains a digital copy of the plan (pdf format), a sample resolution for you to consider, and a postage paid return envelope for returning your resolution to the District. According to statute, responses must be returned to the District within ninety days of your receipt of this notice. Your prompt attention to this approval or disapproval is greatly appreciated.

Please do not hesitate to call the District office if you have questions about this proposed update, or if you would like me to attend your meeting where the subject will be discussed. I would be happy to answer any questions your municipality might have.

Sincerely,

Carol A. Philipps

Carol A. Philipps
Executive Director

RESOLUTION

IN THE MATTER OF: Update of the District Solid Waste Management Plan

WHEREAS the Policy Committee resolved to approve the updated solid waste management plan on September 26, 2014, and,

WHEREAS it is our best judgment that the update will benefit the solid waste district by implementing additional waste reduction programs, and,

WHEREAS public hearings were held in all four counties of the district to provide public input to this update and the Policy Committee has considered this input,

NOW THEREFORE BE IT RESOLVED BY the Council of _____, County of _____, State of Ohio:

1. The updated solid waste management plan as presented to this council shall be ratified for submittal to the Ohio EPA for their approval.
2. The clerk of this legislative authority is hereby authorized and directed to mail or otherwise deliver promptly a certified copy of this resolution to the Policy Committee.
