

## Military Banner Program

In partnership with you, the City and the Villages within Coshocton County we would like to honor our brave men and women by displaying 24"x37" military banners. Banners will be displayed at various times and in various places in the City/Villages throughout the year. There is no guarantee these banners will be put in the same spot each time they go up.

For a veteran or active military member to qualify for this program:

- Must be or was a resident of Coshocton County during enlistment/active duty
- Attached application must be completed
- Must attach a copy of DD214 showing Honorable Discharge, Honorable Discharge Paperwork, Valid Veteran ID Card or Specified Armed Forces on Driver's License (COPIES ONLY – Paperwork will be destroyed)
  - Unless member is still active, then member must submit a picture in uniform

The cost to join the banner program is \$45.00. This will cover the cost of the banner and shipping. Each banner will be double sided with your military member or veterans picture.

You will also have the option of purchasing an additional banner for you to keep (\$45), a single (\$28) or double (\$32) sided yard sign (with a stake)

The city and villages within Coshocton County, their Street Departments/Maintenance Departments, the Coshocton County Veterans Service Commission Office and the Blue Star Mothers OH59 are not responsible for the banners.

Each family will be notified if your banner becomes unsuitable for public display, tattered, torn, or destroyed either by natural or unnatural events. You will then have the choice of replacing the banner.

Submitting your picture:

- The quality of the picture will reflect the quality on the banner/yard sign.
- An 8 X 10 photo is best for quality purposes. The smaller pictures will appear grainy when enlarged.
- A digital picture is preferred and can be submitted to [veteranbannerprogram@yahoo.com](mailto:veteranbannerprogram@yahoo.com)
- Please make sure that if you mail a picture, it is marked appropriately with Name and Branch of Service to ensure that it is returned to you.
